

2012 London Olympics

We're going to London 2012!

We have been fortunate in securing 20 tickets for our Sibford teenagers to attend a mens' Olympic football match in London's iconic new Wembley Stadium.

At almost four times the height of the original stadium, covering twice the area, and with 90,000 seats, the new Wembley Stadium is the largest covered football stadium in the world. The key feature of the new stadium is its partly retractable roof, supported structurally by a spectacular 133-metre-high arch.

Our tickets are for some of the best seats in the stadium. The price of GBP 200 includes travel from the school (mainly by train), supervision by our staff and an evening meal together in London.

This will make a fantastic Christmas present! It is a once-in-a-lifetime opportunity to experience a London 2012 Olympic event and we recommend it highly.

To apply, please reply to etchells@countryschools.co.uk within 7 days. This offer does not guarantee a place. We expect demand to exceed supply and places will be offered in the order of bookings received for our Sibford course.

If you are successful we will request your payment and your child will be going to the London 2012 Olympics at Wembley!

Good luck!

Christopher Etchells
Director, English Country Schools
